

## Renee Dimino – Candidate for Dean of Academic Foundations

Renee Dimino graduated from California State University with a Certificate in Post-Secondary Reading and Learning, an M.S. in Education from State University of New York at Brockport, and a B.S. in Special Education with a concentration in Human Development from State University of New York at Geneseo.

Renee Dimino is currently Interim Dean, Academic Foundations at Monroe Community College. In this role, she has “Provided vision and leadership for Academic Support Services, college readiness partnerships, and pre-collegiate programs, along with being responsible for the ESOL/Transitional Studies department that includes 19 full time people and over 100 adjuncts and 6 cross divisional employees”. She has served and co-chaired various committees, was lead dean for planning and implementing Honors Convocation 2017, Co-developed or developed various programs, applied and received Title III grants, and is knowledgeable with Perkins funding. In addition, she has presented at the national and regional conferences on various “Reading and Writing” topics, along with presenting various workshops at MCC.

In her cover letter, she states, “I can attest to my ability and desire to effectively navigate and successfully execute the myriad of responsibilities required of the person who holds this important position”. “I would love to continue to bring my energy, collegiality, and expertise to the role of Dean of Academic Foundations.”
