	Have you ever wondered how MCC uses data to make
	decisions?
$\checkmark$	Are you interested in how data can help us make equitable
	decisions for our students?
	Do you want to learn how to understand MCC data to make
	good decisions based on that data?
$\checkmark$	Do you think "big data analytics" is code for "Big Brother?"
	If you answered "yes" to any of the
	questions, then DATA CAMP is for you!
