# What is Scholarships Online?

- MCC's online scholarship application process. Students must complete the General Application each academic year.
- Student can apply for scholarships twice per year; Fall (September 1) and Spring (February 1).
- Scholarships are available for all types of students; full-time, part-time, merit based, program based, need based and diversity.

## Helpful Hints...

# How do I know if I received a scholarship?

- If you are selected for a scholarship, you will receive an email from Scholarships Online, asking you to accept or decline the award.
- If you accept a scholarship award, you will receive a Post-Acceptance email from [Scholarships Online](#). You will be asked to provide a Thank You Letter, a short biography and an optional photo of yourself, to be shared with the donor.
- Thank You Letters are important. Donors like to hear about the MCC students receiving their scholarship support and they help to bring in additional donations for future scholarship support.

# When do I receive the funds?

- You will also receive communication from Financial Aid regarding your award. Financial Aid will post the award to Banner.
- The information then goes to Student Accounts. They will post the award to your MCC student account.
- Once it processes through, you will be able to see the award in MyMCC on your Student Account tab.
