

Meet MCC Scholarship Recipient KayLee Allen!

KayLee is the proud recipient of the 2021 Dilek Ogut Memorial Scholarship

Major: Dental Hygiene

I am in my final semester of the dental hygiene program at Monroe Community College. I chose MCC because it is local to me and provided a great opportunity with the dental hygiene program that they have to offer. I am currently the secretary of the Student Chapter of the American Dental Hygienists' Association (SADHA). Holding this position has been nothing but positive. It was a pleasure to help represent my class and work towards the success of the program. I have enjoyed my time in this program and will miss all of my fellow classmates as well as the incredible faculty that I have had the pleasure of getting to know. I am looking forward to entering my career as a dental hygienist in the upcoming months. I would like to thank MCC, the DH faculty, and the donors of this scholarship for their generosity and dedication to this program's success.

This money will help immensely when paying for my upcoming boards exams and licensure fees to become a registered dental hygienist. It also helps offset the cost of all of the PPE that has been necessary to get me through the program. I appreciate your donation and creation of this scholarship for those in this intense program who need the assistance. Thank you for aiding in my success in this program, as well as with entering my career in the upcoming months. And thank you again for your generosity; it does not go unnoticed.
