Empire Room, 2:00 pm - 3:00 pm

for the presentation by Janet Jones-Brower

The WCCH holds an annual spring benefit in which they raffle donated items to raise money to operate the home.

WCCH is a non-profit community-based comfort care home, committed to providing comprehensive and compassionate care to the terminally ill and their families.

They welcome crafts, but also appreciate lotto tickets, wine, liquor and gift certificates.

If you would like to contribute to the spring benefit, donations can be dropped off to Juanita Leone at the Applied Technologies Center no later than Monday, March 12th or contact her to arrange courier pickup.
