

Invitation to Participate in New Student Orientation College Resource Fair

New Student Orientation will be hosting a College Resource Fair for new students and their guests to be held during each Orientation session. The purpose of the College Resource Fair is to connect new students to different resources at Orientation.

This is a great way for students to ask questions and learn information about your department.

Please complete this form and submit it to Matthew Lawson in the Admissions Office.

Name: _____ **Department:** _____

Phone Number: _____

Please select the dates you are available to be a part of the resource fair:
