LEAGUE SERVICES OFFERS TECHNICAL PLANNING

Let Us Help You Develop a High Quality Plan

Is your campus in need of a first-rate technology or instructional technology plan? League Services can provide a consultant to facilitate your process and draft your technology plan. Visit Technology Planning or contact Ed Leach today for more information about how your college can develop a high-quality technology plan with a process that engenders consultation, shared vision, and campus conversation involving all stakeholders!

THE ROGUE TRUSTEE NOW AVAILABLE

Acknowledging the Elephant in the Room

With this book, O'Banion breaks a long-held silence on the topic of rogue trustees and the damage these board members can cause the colleges and communities they are elected or appointed to serve. After analyzing data collected through interviews with community college presidents who have encountered rogue trustees, O'Banion reports on the behavior of rogue trustees, several possible motivations for that behavior, and the damage caused by rogue trustees. He also provides strategies to repair the damage and concludes with a summary of general perceptions about the issue of rogue trustees. Click here to order.

FUNDING OPPORTUNITY FOR THREE-YEAR GRANT

The Community College National Center for Community Engagement

CCNCCE is soliciting proposals from community colleges and 2-year campuses within a university system to help implement a national service-learning mentoring program, pending funding by the U.S. Department of Justice-Office of Juvenile Justice and Delinquency Prevention. Application deadline is July 9, 2009.

MEMBER SPOTLIGHT: YEAR IN REVIEW

Recognizing Key Programs and Services of League Member Colleges

Member Spotlight offers member colleges the opportunity to spotlight a program, an award, or a successful innovation to share with other community colleges. We send our thanks and recognition to the colleges featured in the 2008-2009

Member Spotlight.
