

# Non-Traditional Student Week

NOVEMBER 2-6, 2015

WHAT IS NON-  
TRADITIONAL  
STUDENT WEEK?

It is a National Celebration held in the First Week of November. It brings awareness of what being a Non-Traditional Student means, and the obstacles they face as returning students. They are students:

- Age 25 and above
- Have families
- Hold employment on top of their academic load
- Are in the military
- Are the primary caregivers
- Or have experienced other life-altering events.
