Mission:

Throughout the past 23 years, the Rochester ASIS chapter has awarded over 100 scholarships to deserving college students, returning veterans, and ASIS members, who were taking courses in Criminal Justice, Law Enforcement or Security. With the increase in Terror attacks, workplace violence, and violent street crime, the need for advanced training for Security/Law Enforcement personnel is at an all-time high.

Your participation will make it possible to continue this outstanding and generous effort, with 100% of the proceeds awarded to deserving applicants of the ASIS Scholarship Fund. In addition, ASIS International will match the scholarships up to \$500. Rochester ASIS is partnering with Rochester Area Crime Stoppers this year in support of their efforts to offer rewards for tips leading to arrests for the ever increasing number of unsolved crimes in our community and special support for the Rochester area K-9 program. Please join us in making this Scholarship Golf Tournament a tremendous success.
