

Healthy Hero Summer Camp Book Drive

May 9—June 22, 2016

The Healthy Hero Summer Camp focuses on activities and knowledge to develop healthy weight for our children by keeping them active and engaged. Additionally they strive to reduce summer learning loss.

Your donation of new or used books or a monetary gift to purchase books will help reduce summer learning loss and be used in a lending library for our very own campers at the Healthy Hero's Camp.

Many campers have never owned a book or taken one out of a school or local library.

The campers are entering 1st through 6th grade and we would greatly appreciate anything that is developmentally appropriate.

Please make checks payable to the MCC Association

Have questions?

Need special arrangements?

For Brighton or ATC , please contact Yolanda Johnson yjohnson@monroecc.edu or Courtney Sprague at csprague5@monroecc.edu

For Damon, please contact Antonio Custodio at acus-todio@monroecc.edu
