“This book leaves no man behind when it comes to taking violence against women personally. [It opens] your eyes to the sickness of why some men hurt women and others just watch and do nothing...

After reading this book you can see how important it is to be a stand up guy and not a stand by guy, no matter what race or culture you come from.”

- Sergeant Major Alford L. McMichael
14th Sergeant Major of the Marine Corps, 1999-2003

“If only men would read Katz’s book, it could serve as a potent form of male consciousness-raising.”
