

## TCC WORKSHOPS

The Teaching & Creativity Center is excited to offer the following workshops for the Spring 2014 semester. These events are 80-minute interactive sessions that combine brief presentations with discussions and/or hands-on activities. To help our workshop facilitators prepare, please RSVP using the links below.

### The Art and Technology of Instructional Videos

Tuesday January 28, 2014 2-3:20 pm Brighton TCC (12-201)

**Description:** Learn what makes an effective instructional video. During this interactive session, participants will view and analyze sample instructional videos in various technology formats to learn what works and what doesn't work. Working together, we will develop suggestions for creating effective videos for in-person, hybrid, and online classes. Following this workshop, participants can sign up for a one-on-one or group technology training session to develop their own video.

**Facilitators:** Jeremy Case, Alice Wilson
