

ATHENA

AWARD for CONTINUING EDUCATION

APPLICATION INSTRUCTIONS

The ATHENA Award for Continuing Education (ACE) supports women developing their capacity for leadership in our community by pursuing additional education. The ATHENA ACE will be awarded to one or more women who demonstrate the qualities promoted by the ATHENA International program: excellence, creativity and initiative in her profession, valuable service by contributing time and energy to her community, and assistance to other women in reaching their full potential. **The award recipient(s) will be announced in July, 2015 at a date to be determined.**

AWARD CRITERIA: Applications will be scored on these criteria.
