

REMINDER:
**The Second to Last Presentation of the
Semester! Don't Miss It!**

**Department of Education
Professional Workshop Series**

Monroe Community College, Damon Campus

ALL ARE WELCOME!

**Early Childhood: The Impact on Educational Success
Wednesday, April 5, 2006, 12-1, Brighton, Empire Room**

James Coffey, MCC Professor and founder of the Rochester Parent Network, will discuss ways to develop enriched curricula for children utilizing new knowledge in infant brain development and general concepts of self-esteem, play, and the arts.

Please Note: The presentations will now be available through web-stream. (Go to Quick Links on the MCC website, click on video server, then video content. Use channel 1 for a Brighton workshop. Use channel 3 for a Damon workshop.)

Make a Difference. Teach.
