### *What is the American Association for Women in Community Colleges (AAWCC)?*

The AAWCC was organized in 1973 and is a council member of the American Association of Community Colleges. The organization offers opportunities for women in two-year institutions by providing a forum that addresses women's issues and acknowledges women's achievements.

### *In 1993, Monroe Community College established a local chapter of AAWCC. The purposes of the organization are:*

- To encourage educational program development for women in community colleges;
- To support women in leadership roles;
- To develop communications among women in community colleges;
- To promote and offer local and state workshops for women in community colleges; and
- To disseminate information on courses, programs, and services for professional women.

### *What are the membership requirements?*

Membership at both local and national levels is open to any MCC employee, alumnus, or student employed at or enrolled in MCC or people who support the purpose of the MCC Association, Inc. Members of the AAWCC-MCC Chapter are encouraged, but by no means obligated, to participate in events and activities hosted by the chapter. Participation in planning committees is also encouraged in efforts to provide the most rewarding programs and personal development experiences to members.

Information about the benefits of national membership is available at [www.aawccnatl.org](http://www.aawccnatl.org).
