You are encouraged to attend **ALL** workshops to build or strengthen your advisement skills. Please see the descriptions of classes.

ADV ENG, THE WRITE PLACEMENT: ENSURING EFFECTIVE ENGLISH PLACEMENT FOR MCC ADVISEES -   Not sure which English course to suggest to your advisees? Baffled by the Accuplacer guidelines? Uncertain about what an AP or Regents score might mean in regard to placement? Wondering how you should advise the student who received a C- in English 101 and wants to register for a 200-level English course? Or are you just curious about the Reading 100 requirement? This workshop will explain the various pathways to English 101, provide an overview of the TRS, REA, ESOL, and ENG pre- and co-requisites, and discuss a variety of support systems advisors can recommend to struggling readers and writers.

ADV 008, FINANCIAL AID COURSE ELIGIBILITY (FACE) - This workshop will explain the various student issues that have arisen since we implemented FACE. Learn how you can assist your students by ensuring that they are in financial aid compliance.

ADV 102, INTRODUCTION TO PLACEMENT TESTING - This workshop will provide information on the placement testing process at the College. The presenter will outline the MCC placement testing procedures, demonstrate the online services and features of the Placement & Testing website, interpret test scores and course placements (required, recommended, ESOL & TRS).

ADV 104, DEGREE WORKS - Degree Works is an electronic Graduation Planning System (GPS) that organizes the requirements toward graduation in a specific degree program. Come learn how to advise students using this tool. You will discover how to interpret the report, print it, run a "what if" for career planning, and determine classes for graduation.

ADV 121, CHOOSING THE FIRST MATHEMATICS COURSE - This workshop focuses on the information and tools faculty advisors need to determine the first mathematics course which students should take based on a mathematics placement level and requirements for degree programs. A redesigned and updated advising flowchart is used to share general advice and special tips for various scenarios.

ADV 165, 2+2 AND TRANSFER ADVISING - What is the advantage of a 2+2 program? How do you know if a student is eligible? Can 2+2 students take honors courses? This workshop is designed to provide a better understanding of the 2+2 programs available at MCC and how to advise those students interested in this option. Topics to be discussed include: eligibility, audit sheets, and other important advising tips. This workshop will clarify some of the confusing dilemmas faced when advising 2+2 students.

ADV 190, SUCCESS IN THE ONLINE CLASSROOM - What does it take to be a successful online student? What technology skills do students need? What are the characteristics of a successful online student? What are some of the common myths about online classes? How many is too many online classes? This workshop will provide some answers and show you the resources available to help students become successful in their online classes.
