GLOBAL UNION INTERNATIONAL STUDENTS' ASSOCIATION

The Global Union International Students' Association was established in 1997 as a student organization whose sole mission is to enhance and serve as a primary link between international students, foreign students, American students, faculty and community entities. This organization desires to provide positive and symbiotic cross-cultural experiences for students through co-curricular activities, experiential learning and international education and exchange.

The international office serves as a core base for providing international students with information, assistance, advisement, socialization and programming. It also serves to create collaborations with Monroe Community College's academic departments. Students have the opportunity to develop ideas, plan events, and socialize.

EVERYONE is WELCOME to attend our club meetings!

Join us every
Wednesday from 12:00-12:50
in room 4-112

For More Information:

Office: R. Thomas Flynn Campus Center, 3-135
