

Peter Iyere – Biography

EDUCATION

Ph.D., Inorganic Chemistry & X-ray Crystallography, Brandeis University,

M.A., Inorganic Chemistry & X-ray crystallography, Brandeis University,

M.S., Analytical Chemistry, 1982, University of Ibadan

B.S., Honors, Chemistry, 1980, University of Ibadan

EXPERIENCE

DEAN, Division of Science and Mathematics, Vincennes University, Vincennes, IN

Responsible for: the Departments of Biology; Chemistry; Physics/Engineering, Earth Science/Agriculture, Mathematics (Associate degree and Bacalaureate programs)

CHAIR, Department of Physical Science, Chapman University, Orange, CA

Responsible for: Bacalaureate in science and Graduate (Masters) in food science

CHAIR, Department of chemistry and physics, University of Arkansas, Pine Bluff, AR

Responsible for: Bacalaureate in chemistry and physics

Tenured full Professor of chemistry: Tennessee State University, Nashville, Tennessee

Responsible for: Teaching, research and service (bacalaureate and graduate (Masters) degree programs)
