January 20, 2016

ADV 101, INTRODUCTION TO ADVISEMENT - This workshop is designed to present advisors with the basic skills and tools used in academic advising. Some of the topics discussed include the developmental advising process, role of the advisor, understanding Accuplacer and appropriate course placements, course sequences, Banner basics, FACE basics, Degree Works basics and using degree audits. You are encouraged to attend to learn more about academic advisement or to refresh your basic skills.

ADV 108, INTERPRETING HIGH SCHOOL TRANSCRIPTS - This workshop will introduce you to the Imaging software. This software provides viewing access to the student's academic transcripts (high school, college). Nuances with high school transcript evaluation will be discussed including: diploma type, identifying potential disabilities which may require some form of accommodation (learning, mobility, hearing), and strength of high school program.

ADV 115, HEALTH RELATED PROGRAM INFORMATION - This workshop will review the competitive admission process of MCC's allied health programs (Clinical Lab Technology, Dental Assisting, Dental Hygiene, Health Information Technology, Nursing, Radiological Technology and Surgical Technology) in relation to advisement. Faculty will gain a better understanding of the prerequisites, quality point classes, and selection process.

ADV 121, CHOOSING THE FIRST MATHEMATICS COURSE - This workshop focuses on the information and tools faculty advisors need to determine the first mathematics course which students should take based on a mathematics placement level and requirements for degree programs. A redesigned and updated advising flowchart is used to share general advice and special tips for various scenarios.

ADV 124, DYNAMICS OF ADVISING VETERAN STUDENTS - This workshop is designed to assist faculty in recognizing the unique challenges faced by current and former members of the armed forces as they embark on college coursework. The session will provide an overview of military culture, available educational benefits, and common transition issues. Case studies will illustrate effective methods for assisting this student population.

ADV 125, INTRODUCTION TO COUNSELING SERVICES – Learn about what our counseling services offer here at MCC, when and how to make a referral, and local community mental health resources. We will discuss common misconceptions about counseling and mental health and learn some basic mental health and counseling facts.

ADV 165, 2+2 AND TRANSFER ADVISING - What is the advantage of a 2+2 program? How do you know if a student is eligible? Can 2+2 students take honors courses? This workshop is designed to provide a better understanding of the 2+2 programs available at MCC and how to advise those students interested in this option. Topics to be discussed include: eligibility, audit sheets, and other important advising tips. This workshop will clarify some of the confusing dilemmas faced when advising 2+2 students.

ADV 200, DEVELOPMENTAL ADVISING THEORY - Academic advising is a developmental process which assists students in the clarification of their life and career goals and in the development of educational plans for the attainment of these goals. This workshop reviews developmental versus prescriptive advising, ideas on the "whole" student, student development theory and concepts, and the roles of the advisor and advisee. It is designed for those who want to further refine their advising skills.

ADV 204, DEGREE WORKS USER TRAINING – This is a “hands on” training for Degree Works, the student Graduation Planning System. *Prior to training session, you will receive a brief video to watch in advance.

ADV 223, INTRODUCTION TO SERVICES FOR STUDENTS WITH DISABILITIES AND UNDERSTANDING TESTING ACCOMMODATIONS - This workshop will increase your knowledge about testing accommodations for individuals with a disability. Learn about the process of providing assistance and advising to this group of students. The rights and responsibilities of faculty and students will be discussed.
