Monroe Community College's Scholars' Day is an annual series of events that highlight the accomplished and talented scholarly and creative work of MCC's students, faculty and staff. Each of our keynote speakers in 2012 will be followed by academic conferences featuring research presentations by students and faculty. In previous year's our conferences have highlighted topics of local interest, panel discussions, theatrical performances and demonstrations by MCC's award-winning engineering and robotics students.

TICKETS ARE REQUIRED

and are available online at
www.monroecc.com at the Brighton
Campus Center Service desk in the
R. Thomas Flynn Campus Center,
Building 3, and the Damon City
Campus bookstore.
