## COMMUNITY COLLEGES AND THE ECONOMY

### Study Findings To Be Released at *Innovations*

The League for Innovation and the Campus Computing Project are surveying community college CEOs about the economy's effects on college budgets and operations. Findings will be presented at the *Innovations* conference on March 17. If you received the electronic survey but have not yet responded, please do so by March 12. [Click here to register for \*Innovations\*.](#)

## THE CROSS PAPERS FELLOWSHIP INVITES PROPOSALS

### Proposal Deadline April 30, 2009

The League invites proposals for The Cross Papers Fellowship, 2009-2010, which will support the writing of The Cross Papers, Number 13, and the presentation on the monograph at the League's *Innovations* 2010 conference. [Click here for more information.](#)

## CREATING FLEXIBLE CLASSROOM SPACE

### Colleges Seek Products That Work

Due to limited space and tightening budgets, many colleges are looking for ways to better use existing classroom space. [Read more...](#)

## BUILDING TOMORROW'S WORKFORCE

### New Corporation for a Skilled Workforce Report

*Building Tomorrow's Workforce* identifies examples of partnerships where employers and educators are opening doors for legal Hispanic immigrant workers to advance in the workplace, earn college credits, and make a good living.

## MEMBER SPOTLIGHT: KAUA'I COMMUNITY COLLEGE

### Leveraging Partnerships to Accelerate Progress Toward Sustainability

When Chancellor Helen Cox first arrived on the Kaua'i Community College campus in August 2008, she had already made it clear that she believed that KCC had an important role to play in moving the island of Kaua'i towards sustainability. [Read more...](#)
