**OLD BUSINESS**

Black History Celebration a collaboration between Human Service Club and SEGA on 3.6.15 in the 4<sup>th</sup> floor lounge and UNKL MOE'S in the Multi-purpose room (4013) this event was reviewed and went well.

**SPEAK TO SEGA**

Ms. Shoger is the Executive Director of the MCC Foundation. The Foundation connects private and corporate philanthropy with opportunities to support Monroe Community College and its students. Private support is essential if Monroe Community College to thrive, remain affordable and maintain its margin of excellence. In recognition for monetary gifts to the college it is very common to have a conference room or lab named after the donor. Ms. Shoger, has come to SEGA to request approval to make changes to the policy that is in place, which has not been updated since December 2000. Clearly it needs to be updated to protect the college.

We all watch the news and read the newspapers. There are individuals who had something named after them and with some changes in life and would require the institution to separate from the person then the name would have to come down. There is nothing in the current policy that protects the institution from experiencing a situation like that. SEGA has agreed to support and approve the changes.

**NEW BUSINESS**

A motion was made by Ms. Lee to approve the SEGA 2015-2016 Election packet and seconded by Ms. Piros the vote was unanimous. Elections will be held May 5<sup>th</sup> and 6<sup>th</sup>. The SEGA 2015-2016 Election packet is available in the Office of Campus Life. The deadline to turn in the Election packet is Friday, April 10<sup>th</sup> 2015.

**ADVISORS REPORT**

Lisa Wallace- Great job guys! If anyone is interested in running in the elections you do need to attend an elections workshop. It is a mandatory part of the process to apply and there you will learn more information about the process.

Dr. Kenneth Humphrey- Encourages the SEGA team to keep doing a good job. I've barely had to say anything, which means you all are doing an exceptional job. Dr. Humphrey wants the team to encourage your members to run for President one of the things he would like them to do is not only to encourage them to vote also encourage them to join SEGA!

Eileen Lanzafame- Apologizes for not being around I will be here during the week. Extends to the team that she is available if the SEGA team needs help with anything. You're all doing a great job.

Greg Wilson- Keep up the good work.

The meeting adjourned at 1:10pm.
