Jon Graham of the Celtic Society approached the Senate to discuss the annual St. Patrick's Day Parade float that will represent MCC. He is looking for volunteers to assist with the planning, design, and building of the float. The parade will be held on March 14th this year. He passed out a flyer with contact information and will discuss this event at tomorrow's Roundtable in the hope of involving clubs and organizations. All are welcome to assist with the float and to walk in the parade as representatives of MCC.

III. REPORTS

Speaker Carmichael

This week he focused on setting-up a student survey for the issue of the Student Life Fee. This will allow us to make the most informed decision on whether or not to support the proposed increase. He worked on putting together a search committee for the vacant executive branch offices made up of members of the SGA and the general student body. Applications are available in the Office of Student Life & Leadership Development. We are also still accepting applications for the open Senate seats and are in the process of setting up interviews for all open positions.

Deputy Speaker Lavere

This week was what he hoped to be a very memorable and functional semester. This Friday he and two members from the Mpire discussed the future of the Mpire with Dr. Lloyd Holmes and ways to increase student involvement to create a sense of identity on campus. He is excited to see and be a part of the programs this group has planned.

This meeting along with discussion has added to his agenda as Athletic Senator. His goals as Athletic Senator are to improve advertisement of athletics, see what can be improved in intramurals and club sports, and discuss the gym hours. Finally, he has taken over the SGA Twitter account in the attempt to boost our social media exposure. He has been working with the rest of the SGA in recruitment as well as looking into the SGA Constitution.

Advisor Stewart

Reminds all that the Student Life Fair is tomorrow. She is looking forward to seeing everyone there.
