

Biology Club's Plant Sale & Fund- raiser

Dates: Dec 5th (Mon) & Dec 6th (Tue)
Place: Flynn Campus Center (by cafeteria)
Time: 11am to 2pm

MCC'S Biology Club is hosting a plant sale. The club has been working hard pruning plants with Janet Peters, for all of you to enjoy. The plants have been carefully selected and do not require much sunlight.

If you would like to purchase a plant but cannot make it to the sale get in contact with Corrin Collins at ccollins45@student.monroecc.edu. To discuss when it is a good time to meet up and what plant you want.

Half of the profit goes to charity!!

Half of the profits from every plant sold will go to help Water for South Sudan cause.

Please consider helping to raise funds for Water for South Sudan and the biology club. These plants are great for home or office decorations. Also they make great gifts for friends and/or family. Come stop by to check out the plants.

Happy holidays!!
