The Monroe Community College Foundation provides a means for alumni, donors, friends and volunteers to support the mission of the College and the success of its students.

Support of scholarships, faculty innovation grants and capital initiatives through the MCC Foundation are just some of the ways our community demonstrates its belief in the potential of MCC students and the talented faculty and staff who serve their educational needs. MCC Foundation donors bring the dream of a college education within reach for many in our community and enable MCC to deliver hope for our collective future.

Alumni Week and Homecoming 2013 is brought to you by the Campus Activities Board and student life fees, in partnership with the MCC Foundation.
