II. SPEAK TO THE SENATE

III. REPORTS

There were no reports.

IV. NEW BUSINESS

1. Action Items

There was no new business.

V. QUESTIONS & COMMENTS

Students would like to see the feminine care products stocked and checked daily in our restrooms. There have been several occasions when the machines are empty and appear to never be restocked. This is not apparent until you have already put in your money to purchase the items. You lose your money and receive no product. It is noted facilities is responsible for maintaining the machines. The Campus Center Service Desk has products available when they are open and they can also refund any monies lost.

VI. DISCUSSION ITEMS

The discussion of campus safety was on the agenda following an alleged rape that was reported that was later rescinded. Deputy Speaker Lavere met with Debra Dwyer from Public Safety to discuss lighting along the walkway to the campus from the residence halls. Many students have reported this lighting as inadequate and the walk is far too dark at night. Deputy Speaker Lavere will report back at the next SGA meeting as to what additional lighting may be added to rectify this issue.

Speaker Carmichael reminds all that it is absolutely imperative that any individual calls Public Safety if they feel unsafe on campus at any time or to report an incident if they witness it. Doing so will make our campus a safer environment.

VII. ADJOURNMENT

Speaker Carmichael called for a motion for adjournment.
Senator Polozanin so moved, seconded by Senator Tower.
A vote was taken.
The meeting was adjourned at 2:29 pm.

VIII. EXECUTIVE SESSION

Respectfully submitted,
Lisa Truman
SA Secretary
