

**The Sociology Film Series at DCC, SEGA
and the DCC Campus Center present a very
special film event:**

AN INCONVENIENT TRUTH

**(2006) a film with Al Gore and Billy West
Directed by Davis Guggenheim**

Plot Synopsis from www.amazon.com: "Director Davis Guggenheim eloquently weaves the science of global warming with Mr. Gore's personal history and lifelong commitment to reversing the effects of global climate change. A longtime advocate for the environment, Gore presents a wide array of facts and information in a thoughtful and compelling way. "Al Gore strips his presentations of politics, laying out the facts for the audience to draw their own conclusions in a charming, funny and engaging style, and by the end has everyone on the edge of their seats, gripped by his haunting message," said Guggenheim."
