

MaryJo Vest

Ms. Vest holds a M.S. in Botany, a B.S. in Biology, and an A.A. in Biology, all from University of South Florida.

MaryJo is currently the Interim Dean, Curriculum and Program Development at Monroe Community College (MCC). Before working full-time at MCC, MaryJo worked as an adjunct lecturer/instructor at University of Tampa in Tampa, FL, Hillsborough Community College in Tampa, FL, Nazareth College, and MCC. She then joined MCC as a tenure-track faculty member, eventually earning full Professor status. In the 2013-2014 academic year, MaryJo served as the Special Projects Professor in the Curriculum Office and in 2014, she was appointed as the interim Dean, Curriculum and Project Development.
