

Seeds of Success

**Thursday February 28, 6:00-7:30pm
Building 8 Room 100**

As a student you may sometimes feel overwhelmed by the demands of college life. If so you are encouraged to attend the **Seeds of Success** workshop at Monroe Community College. This free of charge workshop, presented by the Counseling and Advising Office, provides information designed to help you develop skills and techniques to improve study habits, reduce test anxiety, and to enhance overall academic performance. In this workshop you will learn about:

1. Common problems affecting academic performance
2. Classroom strategies- getting the most out of your classroom experience
3. Study skills- effective study habits and skills
4. Effective note taking strategies
5. Time management- balancing the complexities of school, work, social, and family life
6. Test anxiety-how to reduce your fear of tests
7. Test taking skills- learning how to more effectively take tests

Each semester opportunities are available for you to attend the Seeds of Success workshop. This spring the workshop will be offered on **Thursday February 28, 6:00-7:30pm in Building 8-100.**

No prior registration is necessary; just bring yourself, materials for taking notes, and a willingness to explore ways to get more out of your education. Please direct any questions to Mark Basinski at 292-2253 (mbasinski@monroecc.edu), in the Counseling, International and Veteran Services Office
