

Green/ Natural Burial Presentation

Wednesday 11/13/13

Noon - 12:50 PM (College Hour)

Monroe-A (R. Thomas Flynn Campus Center)

**Speaker: Ms. Mary Woodsen, Research Coordinator,
Green Burial Council of North America**

Be proactive about body disposition decisions for end-of-life planning. Come to this presentation to learn what Green/Natural Burial is about and how it might be an option worth considering, so as to reduce your "carbon footprint" in our environment.

Note: This event will be video-streamed to Damon City Campus in Room 4193.

Questions? Contact Professor Delia H. Rhodes at drhodes@monroecc.edu

See you there!
