<p>THANKSGIVING RECESS - College Closed Until Monday, Nov. 29 "Keep a grateful journal. Every night, list five things that happened this day that you are grateful for. What it will begin to do is change your perspective of your day and your life. If you can learn to focus on what you have, you will always see that the universe is abundant; you will have more. If you concentrate on what you don't have, you will never have enough." - Oprah Winfrey</p>
