

Profile of Community Service at Monroe Community College – 2011

The Monroe Community College Center for Service-Learning is gathering data on student community service and volunteerism at the college as we apply for the 2011 President’s Higher Education Honor Roll. We are hoping to be named to this prestigious list for the third time.

We ask that anyone who facilitated/advised/worked with MCC students in community service as part of class work or club activity over the last year (**July 1, 2010 through June 30, 2011**) complete this form and return it by **Thursday December 1st, 2011**. We appreciate your quick response to this request.

*****NOTE:** If you worked with community service as part of an official MCC Service-Learning course, **DO NOT** complete this form. This data has already been compiled. The purpose of this survey is to document community service and volunteerism happening outside of Service-Learning at MCC.
