ADV 101, INTRODUCTION TO ADVISEMENT - This workshop is designed to present advisors with the basic skills and tools used in academic advising. Some of the topics discussed include the developmental advising process, role of the advisor, understanding Accuplacer and appropriate course placements, course sequences, Banner basics, FACE basics, Degree Works basics and using degree audits. You are encouraged to attend to learn more about academic advisement or to refresh your basic skills.

ADV 102, INTRODUCTION TO PLACEMENT TESTING - This workshop will provide information on the placement testing process at the College. The presenter will outline the MCC placement testing procedures, demonstrate the online services and features of the Placement & Testing website, interpret test scores and course placements (required, recommended, ESOL & TRS).

ADV 121, CHOOSING THE FIRST MATHEMATICS COURSE - This workshop focuses on the information and tools faculty advisors need to determine the first mathematics course which students should take based on a mathematics placement level and requirements for degree programs. A redesigned and updated advising flowchart is used to share general advice and special tips for various scenarios.

ADV 124, DYNAMICS OF ADVISING VETERAN STUDENTS - This workshop is designed to assist faculty in recognizing the unique challenges faced by current and former members of the armed forces as they embark on college coursework. The session will provide an overview of military culture, available educational benefits, and common transition issues. Case studies will illustrate effective methods for assisting this student population.

ADV 164, SERVICE LEARNING: ADVISING FOR CIVIC DUTY - Civic engagement and your students! Understand how Service Learning has been integrated into course curriculum. Come find out how to advise your students for courses being offered with a Service Learning component to them.

ADV 182, SUNY GENERAL EDUCATION - This workshop will explain the SUNY General Education Course Plan. In the workshop, there will be a review of the ten knowledge and skill areas as well as waiver criteria. After attending this workshop, attendees will gain an understanding of the impact that optimal course selection could have for students who intend on transferring to a SUNY four-year institution.

ADV 203, UNDERSTANDING THE UNDECIDED STUDENT AND TECHNIQUES FOR ADVISEMENT - The overwhelming challenges involved in advising undeclared students can be frustrating. This workshop will increase your understanding of the undeclared college student and provide you with techniques, strategies and resources to improve your advising skills with this population. Case studies will be used to illustrate how to assist these students.
