# Terrorism Issues, Threats and Tactics

The conference will give an overview of the history of terrorism. What is it, where does it come from, and why is it used? The conference will examine who becomes a terrorist and why, how terrorist are recruited, self-radicalization, domestic terrorist threats and terrorist financing and tactics.

The conference will cover a wide range of access points for those interested in gaining terroristic knowledge and how these ideas spread. Case studies and modern and historical examples will be used for key points. Special attention will be made regarding ISIS' Dabiq publication and Al Qaeda's Inspire magazine, as well as websites of both ideological and single issue terrorist organizations.

### Topics covered

- Recruitment of terrorist
- Self-radicalization
- Domestic threats
- Case studies
- ISIS and other terrorist organizations
- Financing

---

### **This course is open to:**

Law enforcement, fire agencies, college and school personnel, corporate and local businesses, security professionals, emergency managers, human resource management, public relations representatives, government agencies, banking and finance industries, communications professionals, and students interested in expanding their knowledge of terrorism.

---

### **Conference presenter:**

Clarissa D. Breen, Ph.D., CAS is currently an Associate Professor at The Cazenovia College Department of Criminal Justice and Homeland Security, Cazenovia, New York. Her interest in topics range from terrorism, hate groups, political and historical crime, criminological theory, criminal tattoos, geography of crime, displacement and disruption, policy analysis and program evaluation. Dr. Breen is an internationally known speaker on catastrophic criminology events, such as; terrorism, mass murder, and genocide.
