Made in L.A. is an Emmy award-winning feature documentary that follows the remarkable story of three Latina immigrants working in Los Angeles garment sweatshops as they embark on a three-year odyssey to win basic labor protections from trendy clothing retailer Forever 21. In intimate observational style, *Made in L.A.* reveals the impact of the struggle on each woman's life as they are gradually transformed by the experience. Compelling, humorous, deeply human, *Made in L.A.* is a story about immigration, the power of unity, and the courage it takes to find your voice.
