

Beginning the first day of the Fall and Spring semesters, we are pleased to offer a FREE, comfortable shuttle service to help you get back and forth between the Brighton and Damon campuses! The Shuttle will be available weekdays during the fall and spring semesters.

Why ride? If you take classes between the two campuses, have to get to Brighton or Damon for a meeting, or just want to attend a Brighton or Damon activity and don't want to drive, hop the shuttle at the convenient times listed and relax. We'll get you there and back for free! You can do homework (buses are WiFi!), chat with friends or just take a nap – it's your choice!

We hope you'll find this service both a time saver and a tremendous convenience. If you need more information, please call the Campus Center at 292-2534 or visit our website at: www.monroecc.edu/go/shuttle.

The MCC Shuttle Service is brought to you by the MCC Association, Inc.

FREQUENTLY ASKED QUESTIONS:

How many passengers can the bus accommodate?

Each bus can seat up to 38 passengers and accommodate 15 standing passengers. Two sets of seats in the back can be folded to allow for 2 wheelchairs.

Is there a fee to ride the shuttle? If I have someone with me, can he or she ride the shuttle for a fee?

The shuttle service is free of charge to current MCC students and employees with a valid MCC ID. There are no payment transactions on the shuttle. All riders are required to have a valid MCC ID.

What happens if I accidentally leave my belongings behind on the shuttle?

If you forget or lose your belongings on the bus, you may report the incident to the MCC Public Safety Department at 292-2912 and identify which shuttle you were on (buses are numbered). An officer will attempt to contact the driver immediately. Any unclaimed items will be handed over to Public Safety at the end of the day, and owners may retrieve them in Lost & Found the next business day. To contact Lost & Found, call 292-2901 for the Brighton office or 262-1672 for the DCC office.

Will the bus ever be late?

We will do our best to adhere to the scheduled departure and arrival times, but unforeseen occurrences may happen so riders need to plan accordingly. Shuttles may experience high demand at peak times of the day, and some riders may have to board the next bus.

If the bus happens to break down or is delayed, how will I get to my class on time?

Please allow yourself sufficient time to get to your destination when taking the shuttle. In the event that the bus experiences mechanical problems or other unexpected delays, either a replacement bus will be called or other actions may be taken to get passengers to their final destination.

Can I bring my bike on board?

The shuttle bus is equipped with a bike rack outside on the front of the bus. It can accommodate two bicycles.
