Module 4: School-specific Advising

This session will provide an overview of advising as it pertains to faculty within each of the six Schools. Each School will be discussed separately. Review of the advising structure between Advisement & Graduation Services, School Specialists, faculty and DCC Student Services will be shared.

Module 5: High Impact Practices

An overview of the impact of HIPs on student retention and engagement; MCC survey results; looking ahead.

Module 6: COS/FYE/Orientation

A review of the benefits of integrating students academically and socially, through College Success Strategies courses, First Year Experience program, and Orientation, as they transition into the College community.

No RSVP Required – Email schools@monroecc.edu with questions
