

## Please Help

the MCC Nursing Department  
provide caregiver support  
to a frail veteran  
wishing to travel with  
Honor Flight June 16-17, 2012  
As this veteran does not have  
any family and requires  
assistance with ADLs our very  
own MCC nursing student  
Kirk Nelson has agreed to serve  
as his guardian. Your donation  
will help offset the \$300  
guardian fee and cover the \$75  
fee for a hotel stay the evening  
before the 6 am flight as the  
veteran lives 1 hour away  
from the airport.

Donations can be sent to :

Laurie Palmer

Professor Department of Nursing

Room 9-223

Or via the office of the Department of Nursing

A receipt for your donation is available upon  
request.
