

Support our Veterans – Holiday Stockings Needed

This Christmas our Women's and Veteran's Committees are asking for your help for the 'Stockings for Veterans Program' for the Rochester Veterans Transition Center (RVTC). The center would like to provide every Veteran in their structured outpatient programs a Holiday Stocking filled to the brim with new **unwrapped** treats! Suggested items would include:

• Hairbrush/Comb sets	• Music CDs, DVDs
• Assorted Toiletry items	• Stationary Sets
• Puzzle books	• Cologne, Perfumes
• Travel games/Novelties	• Non-perishable snacks
• Hats, Gloves, Scarves, Socks	• A Greeting Card/Thank you
• Playing Cards, Pocket Games	• NO RAZORS or GLASS

We would be happy to provide your Unit and/or Department with a stocking or you can provide your own. We will be collecting stocking stuffers through **December 8th** so we can deliver to the RVTC by December 12th. CSEA members are known for their generosity of spirit – what a wonderful way to give back to our community by supporting our Veterans! Thank you.
