Sponsor Form

To be completed by the faculty sponsor. For each category, please circle the number from 1 to 12 that best represents the work your student or team of students will present.

I) Student Responsibility:

- none * The sponsor developed the idea and aided the student(s) in every step of the research and final production.
 - ↓
 - primary * The sponsor contributed ideas and a helping hand, but was otherwise uninvolved in the project.
 - * The sponsor was available for advice, but the work was entirely completed by the student(s) independently.
- 1 2 3 4 5 6 7 8 9 10 11 12
 (none/little) (some) (much) (primary)

II) Originality:

- poor * This work is a replication of existing work that the student(s) is(are) familiar with.
 - ↓
 - strong * This work is based on existing work, but the student(s) made unique contributions in developing the current project.
 - * This work is an original production of the student(s), informed, but not replicating work known to the student(s).
- 1 2 3 4 5 6 7 8 9 10 11 12
 (poor) (weak) (decent) (strong)

III) Significance:

- poor * Due to the poor quality of the work, it adds little to the discipline or the broader community.
 - ↓
 - strong * Qualitatively acceptable, this work would probably not be influential to the discipline outside of Scholars' Day.
 - * This work has the potential to influence the discipline or the broader community beyond Scholars' Day.
