### REGISTRATION CONFIRMATION

Upon receipt of your child's registration form, his/her registration will be confirmed and you will receive a packet of general information including required forms to be completed and returned before the start of the program. These packets will be mailed out in early May.

Important Note: MCC may find it necessary to make changes in the curriculum, administration, policies, fees, or any other phase of College activity, and reserves the right to make such changes or delete any program described within.

### REFUND POLICY

A full refund will be made if the College exercises its right to cancel a session or if a session is full at the time your registration is received. Withdrawal must be made two weeks before the first day of your child's session in order to get a refund of tuition. Withdrawal requests must be made in writing. NOTE: All deposits are non-refundable after June 1, 2014.

Should you need to cancel, please send a letter to the MCC Summer College for Kids stating the child's name and session. The letter must be postmarked two weeks before the first day of your session. Official withdrawal from a session is the responsibility of the participant. Not attending a session, giving notice to an instructor or telephoning the college is NOT official withdrawal.

SPECIAL NOTE: If a Child is unable to adjust in a reasonable period of time, MCC reserves the right to remove the child from the program. Tuition costs will be prorated according to the number of days of attendance.

MCC Summer College for Kids operates under a Monroe County Health Department permit. Records of inspection are on file in our office and the Monroe County Health Department.

Monroe Community College is a unit of the State University of New York. It is the policy of the University and of this College not to discriminate on the basis of sex, race, color, religion, national origin, disability, age, marital status or sexual orientation in admissions, employment, and treatment of students and employees in any educational program or activity.

## Meet the Camp Staff:

### **Christine Smith** Summer College for Kids Coordinator

My name is Christine Smith, and this will be my third year as SCFK Coordinator. I have been in the child care field since 1986, and have worked with children of all ages. I have 15 years of experience working with school age children. During the school year, I work with four and five year old children at the Richard M. Guon Child Care Center at Monroe Community College. I graduated from SUNY Geneseo with a degree in Elementary Education. I enjoy all the wonderful conversations I have with the children during camp and getting to know them and their individual personalities. My favorite field trips last year were going to the zoo, the Rochester Museum and Science Center, bowling, and our visit from a Rhino player. I really enjoy seeing all the fun things the campers were learning, and their enjoyment of exploring different areas of the college-from the labs to the pool table! I look forward to meeting new children this year, and seeing familiar faces return to camp.

### **Tierney McKee** The Leadership Camp Coordinator

My name is Tierney McKee, and I am rejoining the SCFK Leadership Camp for my second year. I have a MS degree in Education from SUNY Brockport, and am a certified ELA teacher for grades 5-12. During the school year, I teach ELA at Sodus Middle School where I am also the ELA Department Chair. I have over twenty years of experience in working with children of all ages. I love to read and tell stories. I am excited to return to MCC's Summer College for Kids because I had so much fun last year. It is difficult to choose just one favorite camp memory from last year, but I smile the most when I think about being a swashbuckler on Pirate Day, watching the teens do experiments at the Physics lab, and singing with my son at the Talent Show.

### **Amy Mc Bride** Summer College for Kids Teacher

My name is Amy Mc Bride, and I am a certified Literacy Specialist with over 8 years of teaching experience. Last summer was my first year with Summer College for Kids. Previously, I worked with middle school students as part of an after-school academic and enrichment program within the Buffalo Public School District. There I taught English Language Arts for 5th grade and led various enrichment classes such as cooking, crafts, technology, and coached a middle school girls running program called Girls on the Run. I enjoy pairing fun and learning at camp. Last summer we created Glogs, had collaborative "spooky" campfire storytelling, and put on a "Minute to Win It" competition. My favorite camp memory is dressing up for Antarctica exploration with campers during the "Around the World Week".

## Welcome to Monroe Community College's Summer College for Kids & The Leadership Camp!

MCC's Summer College for Kids began over 20 years ago on the MCC campus to provide elementary school children with the perfect blend of educational and recreational activities in a 6-week summer day camp experience. Under the direction of our certified teachers, the theme-based curriculum offers indoor and outdoor activities, field trips, recreational swimming and time for campers to pursue their own interests.

The Leadership Camp began in 2013 in response to requests for a summer experience for middle school students. The previous SCFK Junior Counselor program was enhanced to introduce campers to a variety of career interests with MCC faculty, and to participate in team building and leadership development with MCC Student Life and Leadership staff at the Brighton campus. Students entering 6th through 8th grade in the fall are eligible for this unique blend of leadership development and career exploration, along with traditional summer camp experiences.

If you are returning to MCC's Summer College for Kids or The Leadership Camp, or if you are just learning about our program, we welcome you to our unique summer camp offerings.

*Chris Smith*

Summer College for Kids Coordinator

## Summer College for Kids (Grades 1 - 5)

SCFK is an all-day program offering the perfect blend of educational and recreational activities for your child. Located on MCC's Brighton Campus, the program is designed to provide children with opportunities to improve their basic skills while continuing to learn over summer vacation. This innovative program includes: Art, Computers, Field Games, Science, Health & Fitness, Leadership Development, Reading, Writer's Workshop, Math Enrichment and a chance to make new friendships!

### SCFK Sample Daily Schedule

7:30AM - 8:00AM	Early Arrival
<b>CALL TO INQUIRE ABOUT EARLY ARRIVAL OPTIONS</b>	
8:00AM - 9:00AM	Arrival
9:00AM - 11:00AM	Classes with age group, computer lab, math, science, creative writing, etc.
11:00AM - 12:00PM	Specials, Arts/Crafts and Field Games
12:00PM - 12:30PM	Lunch
12:30PM	DEAR Time
1:00PM - 3:00PM	Recreational Swim
3:00PM	Snack
3:30PM - 4:30PM	Choice Time
4:30PM - 5:30PM	Departure

### Weekly Dates & Themes:

#### July 7-11 / Fit-n-Active

During this first week of camp we will learn about each other's favorite sports, foods and what it means to be "fit and active". We will try out favorite and new sports, cook a healthy, delicious lunch and the week will end with a field trip that will keep us Fit 'n Active.

#### July 14-18 / Weird, Wacky, & Fun Science

Science is all around us! Camp this week will feature mad science experiments, including using chemistry to make cold, delicious ice cream and visits to some of MCC's science labs.

#### July 21-25 / The Great Outdoors

Do you love the outdoors? Then this week is for you. We will go on nature hikes, geocache and learn about sustainability. The week will end with a trip to the Seneca Park Zoo.

#### July 28-Aug 1 / Myths, Legends, & Storytelling

Stories take us to new places and different points in time. Campers will write stories for publishing, and prepare to have them competition ready. We will make S'mores, tell stories around the "campfire", and take a field trip to the Strong Museum of Play.

#### Aug 4-8 / TechKnow

Technology is changing constantly! We will take visits to the MCC computer lab to explore new and exciting Web 2.0 technologies, and visit Rochester's Makerspace to see a variety of technologies - machining and metal work, electronics, 3D printing and more.

#### Aug 11-15 / Cultural Arts

Do you enjoy taking photos? Or maybe painting is more your thing. Be the producer or star of your own show! This week we will explore creative arts, puppetry, photography, music and theatre. We will end the week with the Camp Talent Show.

## The Leadership Camp (Grades 6 - 8)

TLC is for children entering 6th, 7th and 8th grades. TLC provides campers the opportunity to develop leadership skills with MCC Student Life and Leadership staff. Campers will develop their leadership skills and then have the opportunity to apply their new skills by participating in leadership activities at the SCFK program part-time. In addition, campers will see what happens behind the scenes at MCC while exploring future career interests. Team building and self-exploration are the focus of the program.

### TLC Sample Daily Schedule

7:30AM - 8:00AM	Early Arrival
<b>CALL TO INQUIRE ABOUT EARLY ARRIVAL OPTIONS</b>	
8:00AM - 9:00AM	Arrival
9:00AM - 11:00AM	Team Building Activities/Guest Speakers
11:00AM - 12:00PM	Specials, Arts/Crafts and Field Games
12:00PM - 12:30PM	Lunch
12:30PM	DEAR Time
1:00PM - 3:00PM	Recreational Swim
3:00PM	Snack
3:30PM - 4:30PM	Assist with SCFK Choice Time
4:30PM - 5:30PM	Departure

### TLC Weekly Dates & Themes:

#### July 7-11 / Amazing Athletes

What does it take to be a professional athlete? Are there other careers that capitalize on a passion and talent for fitness? This week, TLC is exploring careers in sports and health, while also learning about the mind-body connection.

#### July 14-18 / Discovery Science

Science can solve a crime. It can save a life. It can take us to the moon, or to uncharted ocean depths. The scientific mind is always asking questions and considering possibilities--and that's what TLC minds will do this week.

#### July 21-25 / Explore Outdoors

Are you a nature enthusiast? Ever thought about turning that avocation into an occupation? This week, teen leaders will be on the trail of careers with an outdoor focus, from forestry to environmental engineering.

#### July 28-Aug 1 / Out of This World

Heard any good stories lately? Chances are, you have--even if you're not a reader. Stories shape our lives in surprising ways. This week, TLC will undertake an epic quest: to find evidence of myths and legends in modern entertainment. We will identify careers that involve storytelling from narrative design in the gaming industry to digital storyboarding--and create our own myths using modern technology.

#### Aug 4-8 / TechKnow

Do you love technology? We will explore careers in technology through visits to MCC's Applied Technologies Center and then to Rochester's own Makerspace. Machining and tooling, 3-D printing, electronics are just some of the technologies we will learn about.

#### Aug 11-15 / ArtVentures

This week will be an exploration of creativity! TLC will sample different art forms and collaborations, including the visual arts, literature, music, theatre, film, dance and photography. The week will end with the Camp Talent Show.
