

## Andrea Wade

Dr. Wade earned a Bachelor of Science in Biology and Medical Technology from The Catholic University of America, in Washington D.C., and immediately afterwards, went on to earn her Master of Science and Doctorate in Microbiology at the University of Notre Dame, in Notre Dame, Indiana. While working on her Masters and Doctoral degrees, Dr. Wade served as a Research Fellow at Notre Dame's LOBUND Laboratory and as an Instructor at Indiana University at South Bend. After receiving her Doctorate, Dr. Wade became a Visiting Assistant Professor at Saint Mary's College in Notre Dame Indiana. She later joined Our Lady of Lourdes Hospital, in Binghamton New York, where she served as a Medical Technologist, Supervisor of the Microbiology Department, and Clinical Laboratory Manager. While at Our Lady of Lourdes Hospital, Dr. Wade began her work at Broome Community College as a Clinical Affiliate Faculty Member.

Dr. Wade has served at SUNY Broome Community College since 1997. Along with her role as a Clinical Affiliate Faculty Member, she has fulfilled the roles of Assistant Professor, Associate Professor, Department Coordinator, Department Chairperson, Professor & Department Chairman, Acting Dean, Dean, and is now Associate Vice President and Dean.
