The MCC Foundation is a 501(c)(3) institutionally related foundation governed by its own board of directors—independent from the college and its board of trustees.

The MCC Foundation provides a means for donors, friends and volunteers to support the mission of the college and the success of its students. The foundation is a nonprofit corporation that solicits, accepts, manages, invests and distributes contributions and communicates with donors and prospects regularly. It serves as a repository for all private, non-governmental gifts and support received on behalf of the college. All gifts are managed and distributed in strict accordance with the wishes of our donors.

Support of scholarships, faculty innovation grants and capital initiatives through the MCC Foundation are just some of the ways our community demonstrates its belief in the potential of MCC students and the talented faculty and staff who serve their educational needs. MCC Foundation donors, volunteers and friends bring the dream of a college education within reach for many in our community and enable MCC to deliver hope for our collective future.
