Workshop Descriptions

Workshop Descriptions

Women's Health: This workshop will cover the basics of fitness and nutrition as well as key elements to healthy aging.

Diabetes and Heart Disease: Heart Disease is the #1 cause of Death in Americans today. Women are especially at risk. This workshop will cover warning signs of heart disease and provide practical suggestions on

Women's Health: This workshop will cover the basics of fitness and nutrition as well as key elements to healthy aging.

- Introduction to Self-Defense:** This interactive workshop will provide basic skill in self-defense training. Participants should wear loose clothing bring a towel and water.
- HIV and AIDS:** HIV/AIDS is still an epidemic. The workshop will cover statistics, and safe practices that will hinder the contraction of this virus. This workshop will also address how to effectively live with the virus.

Fear, Faith and Forgiveness: This workshop will cover the effects that fear, faith, forgiveness and unforgiveness can have on our overall health and wellness.

Communicating Powerfully: This workshop will address the importance of communicating powerfully both verbally and nonverbally. Learning to communicate effectively and powerfully can lead to successful and empowering encounters.

Introduction to Boxing: This interactive workshop will cover the basic elements of boxing, which lends to an excellent workout. Participants should wear loose clothing bring a towel and water.

Self-Care: Nurturing the Soul: This workshop will cover the necessity of practicing self care, mind, body and spirit. Participants should be prepared to explore their inner selves.

disease and provide practical suggestions on healthy living and eating. This workshop will also cover the different types of diabetes and provide nutritional information to prevent and control diabetes.

Successful Financial Planning (Part 1): This workshop will address key components to eliminating debt, budgeting, and building healthy credit.

Relationships: This workshop will cover all aspects of being a good steward of all relationships (marriage, friendships, and dating relationships.) It will also touch on how women can become more embracing of one another.

Cancer: This workshop will cover information relating to cancer, including yearly check-ups, warning signs, different types of cancers and treatment.

Soul Fitness: This interactive workshop will be fun and energetic, as participants will workout to fun and funky beats. Participants should wear loose clothing bring a towel and water.

Successful Financial Planning (Part 2): This workshop will cover fundamental principles of investing, retirement planning, and savings.

Success Stamina: This workshop will address topics such as managing success as a woman, preparing for promotion, and will give key advice as to how to propel to the next level.
