

Brighton Campus to Add Roundabout

WHAT: Brighton-Henrietta Town Line Road entrance to MCC's Brighton Campus is closed May 27, 2014, through the end of August.

WHY: Construction of a safe and easy-to-navigate roundabout takes place on Campus Drive to improve traffic flow.

OFF-LIMITS AREAS: A section of Campus Drive — spanning from the softball field to the Bill Gray's Regional Iceplex parking lot — will be closed to vehicular and pedestrian traffic.

Motorists will enter the campus from East Henrietta Road. Parking at the Iceplex and in lot Q will remain accessible.

INFORMATION: Check www.monroecc.edu/go/TransportationChanges for news and updates.

For questions or concerns about the construction project, contact the Public Safety Department at (585) 292-2912 (non-emergency) or (585) 292-2911 (emergency).

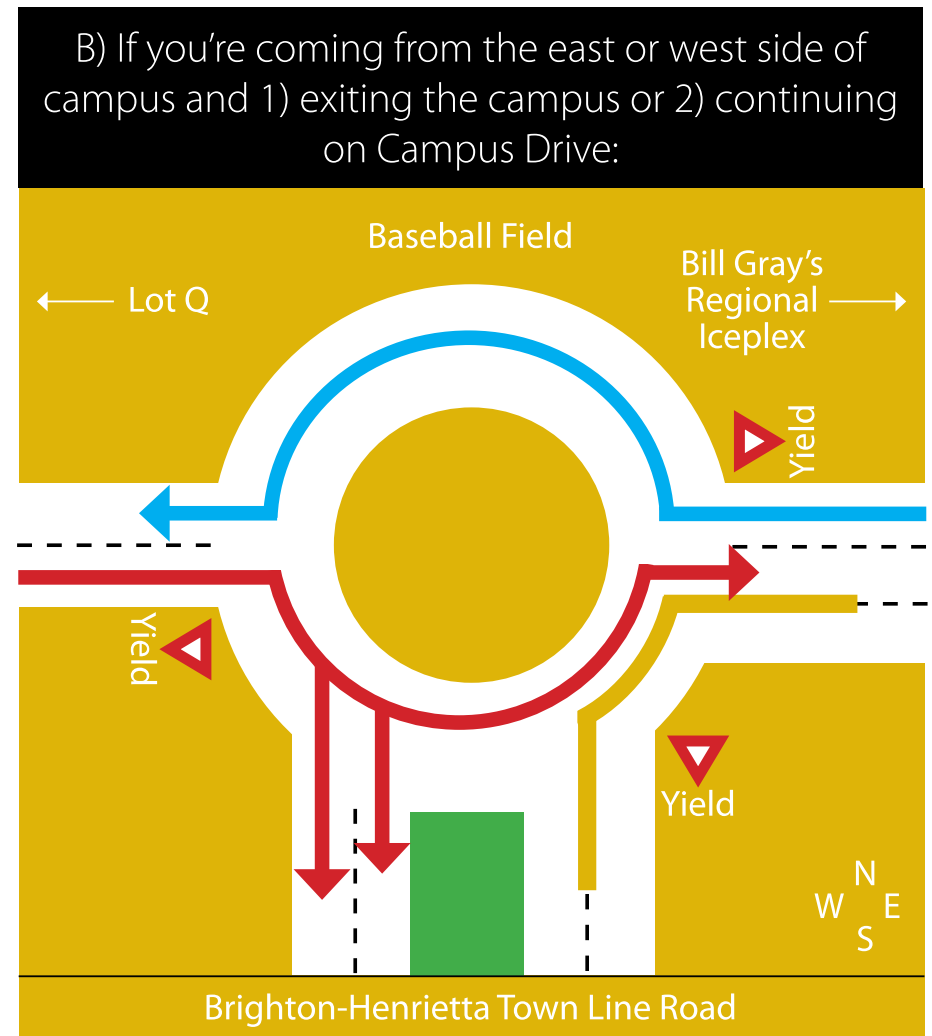

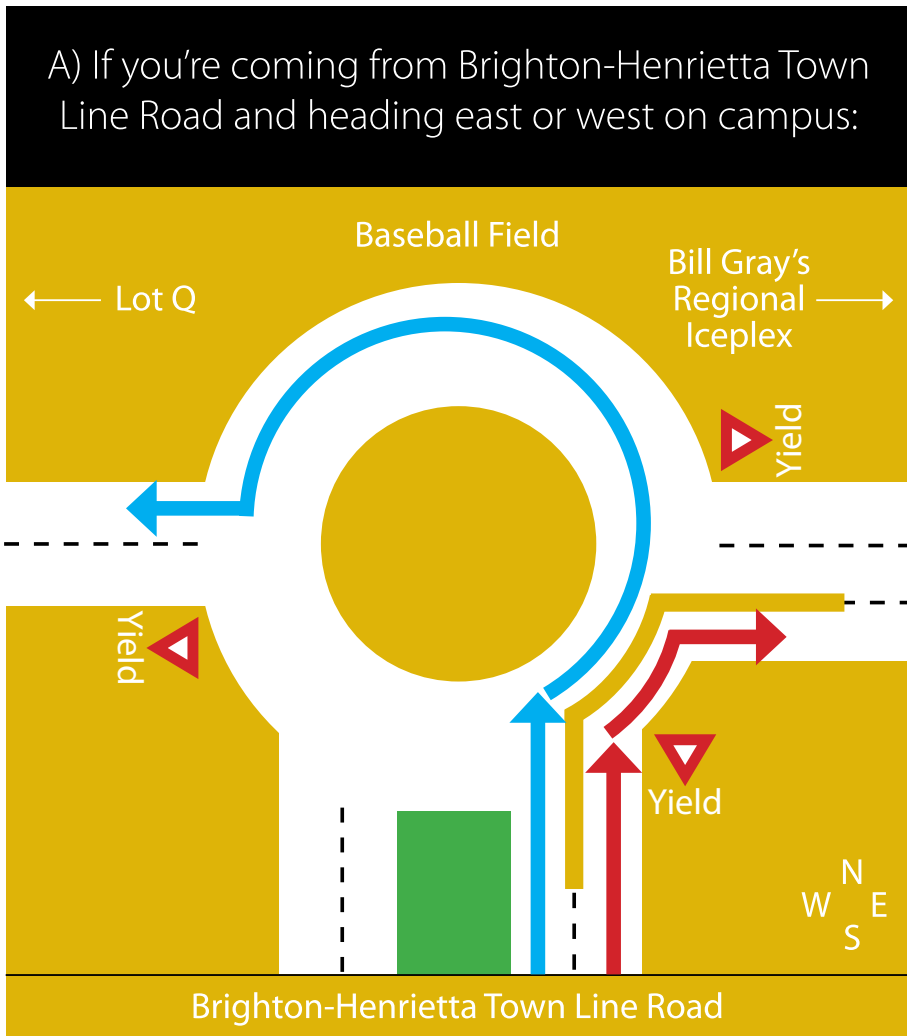

We apologize for any disruption or inconvenience this project may cause.

Thank you for your patience.

How to Navigate the New Roundabout

A roundabout on Campus Drive at the Brighton-Henrietta Town Line Road entrance to MCC's Brighton Campus will be open for use on Sept. 2, 2014, and will impact traffic patterns on campus. Here's how the roundabout works:

 Yield to motorists already in roundabout
