There were four seminars each day, covering the topics of business, broadcasting, management, and team building. She felt all who participated did a great job, and will usefully apply what was learned. Senator Walters asked for more of an idea of what the seminars taught. Suzanne replied that these taught participants about DJing, broadcast equipment, recruitment, and leadership skills. Deputy Speaker Savarese mentioned that the money for the trip came from Committee.

**III. REPORTS**

**Senator Williams**

"On Wed. April 24 2013, I spoke with Nick and inquired about changing the parking pass policy.

Hoping to do away with the stickers. Was informed that starting in Fall Term, 2013, there will be no more stickers. Permits will be electronic.

Also on Wednesday, I spoke with Tina from the Safety Department. After sharing my concerns of raising the level of security, there was a suggestion that I go to Student Services and share my ideas with Betty Stewart. Tina also gave me Director Moore's number, and suggested that I keep him in the loop.

On Thursday, April 25, 2013, a student with a parking complaint stopped by the SGA Office. After taking her information, I walked with her to Student Services inquiring what her next step should be. I have never been a part of a parking incident, and I related that Senator Walters has much experience in that area. If her situation comes back to the SGA, I will be glad to assist her. I need to retrieve Senator Walters' helpful hints and direction.

On Friday April 26, 2013, I spoke with Senator Walters about the parking ticket. I have been advised to send an e-mail to share suggested steps in resolving this issue.

Also, I plan to meet with Advisor Herzog regarding an idea for a new workshop on personality colors, emphasizing its value on many levels in addition to leadership."

**Advisor Stewart**

Don't forget to vote.

**Advisor McCauley**

Go vote.

**IV. OLD BUSINESS**

There was no old business.

**V. NEW BUSINESS**

There was no new business.
