REPORTS

Senator Walters

“This week I have been working on the following projects:

I designed and displayed the poster for the Relay for life kickoff (tomorrow) from Noon until 2:00 PM on the terrace.

I have been in contact with Kathleen Farrel from the Visual Art department about some of her students painting some A frames for the relay for life event.

I created a display board for outside the office doorway to welcome new students to MCC. It will hopefully be displayed for summer orientations.

I am working on collecting bottles and cans for a fundraiser for Relay for Life under the SGA team. (Some were donated this week by the hospitality club and a fellow student.) Bins are outside the SGA door and in the atrium. I may be getting an extra bin for the area near the café.

I have been communicating via e-mail with Residential Director, Chris Hamm, to help plan for the upcoming Blood Drive in Canal Hall on May 14th.

I attended the Candidates' Reception this past Friday and am excited to start laying out the plans for the student government's semester. Also, please remember that applications are now open for student government positions!"

Advisor Stewart

Congratulations to the new SGA members for next year!

Remember to clean up your offices/spaces as the end of the academic year approaches. Also, if clubs want offices during the summer, let us know.

Current president and officers of SGA, remember to pick up your banquet tickets at the service desk by Friday.

Advisor Herzog

Soon, interview times will be sent out for interviewing for the CAB directors' positions so watch your mailboxes for those notices.

Advisor McCauley

Study, and work diligently for your final projects.

IV. OLD BUSINESS

There was no old business.

V. NEW BUSINESS

No new business was conducted due to lack of quorum.

QUESTIONS & COMMENTS

Senator Williams let all know that he has a letter to send out for new officers so please check your mailboxes. Hope is for clubs and organizations to foster growth beyond their own ends.

Jason Childers reminded all in clubs and organizations to update and back-up their computers. Arrangements may be made with Jason regarding flash drives, and if you have further questions, contact him.

Senator Walters inquired as to whether or not the printer in the SGA office had been repaired. Jason indicated that he investigated the printer problem to find the cause, and a discussion speculating what the problem might be ensued. Checking for an ink cartridge installation error will be done, as that might be the cause.

VI. ADJOURNMENT

Speaker Jackson-Harris called for a motion for adjournment. Senator Williams so moved, with a second from Senator Walters. A vote was taken. At 2:30 PM, the meeting was adjourned.

VII. EXECUTIVE SESSION

Respectfully submitted,

Elizabeth V. Flanagan
SA Secretary
