

**THE DIVERSITY AND
COMMUNITY STUDIES FILM AND
LECTURE SERIES PRESENTS**

**MISS REPRESENTATION
(2011)** a documentary film by Jennifer Siebel Newsom

“The film exposes how mainstream media contribute to the under-representation of women in positions of power and influence in America. The film challenges the media’s limited and often disparaging portrayals of women and girls, which make it difficult for women to achieve leadership positions and for the average woman to feel powerful herself.”
