

Summer College for Kids and The Leadership Camp

at Monroe Community College

www.monroecc.edu/go/childcare

"MCC Summer College for Kids is an amazing program. This was my daughter's first experience participating in a summer camp. The counselors made her feel welcomed and encouraged her to participate in many different fun activities. I would encourage every parent to enroll their child because this program is not just a summer camp; it is a safe, engaging, educational and most important, FUN opportunity!"

Jennifer Caruso / SCFK Parent

REGISTRATION CONFIRMATION

Upon receipt of your child's registration form, his/her registration will be confirmed and you will receive a packet of general information including required forms to be completed and returned before the start of the program. These packets will be mailed out in late May.

Important Note: MCC may find it necessary to make changes in the curriculum, administration, policies, fees, or any other phase of College activity, and reserves the right to make such changes or delete any program described within.

REFUND POLICY

A full refund will be made if the College exercises its right to cancel a session or if a session is full at the time your registration is received. Withdrawal must be made two weeks before the first day of your child's session in order to get a refund of tuition. Withdrawal requests must be made in writing. NOTE: All deposits are non-refundable after June 1, 2015.

Should you need to cancel, please send a letter to the MCC Summer College for Kids stating the child's name and session. The letter must be postmarked two weeks before the first day of your session. Official withdrawal from a session is the responsibility of the participant. Not attending a session, giving notice to an instructor or telephoning the college is NOT official withdrawal.

SPECIAL NOTE: If a Child is unable to adjust in a reasonable period of time, MCC reserves the right to remove the child from the program. Tuition costs will be prorated according to the number of days of attendance.

MCC Summer College for Kids operates under a Monroe County Health Department permit. Records of inspection are on file in our office and the Monroe County Health Department.

Monroe Community College is a unit of the State University of New York. It is the policy of the University and of this College not to discriminate on the basis of sex, race, color, religion, national origin, disability, age, marital status or sexual orientation in admissions, employment, and treatment of students and employees in any educational program or activity.

Welcome to Monroe Community College's Summer College for Kids & The Leadership Camp!

MCC's Summer College for Kids began over 20 years ago on the MCC campus to provide elementary school children with the perfect blend of educational and recreational activities in a 6-week summer day camp experience. Under the direction of our certified teachers, the theme-based curriculum offers indoor and outdoor activities, field trips, recreational swimming and time for campers to pursue their own interests.

The Leadership Camp began in 2013 in response to requests for a summer experience for middle school students. The previous SCFK Junior Counselor program was enhanced to introduce campers to a variety of career interests with MCC faculty, and to participate in team building and leadership development with MCC Student Life and Leadership staff at the Brighton campus. Students entering 6th through 8th grade in the fall are eligible for this unique blend of leadership development and career exploration, along with traditional summer camp experiences.

If you are returning to MCC's Summer College for Kids or The Leadership Camp, or if you are just learning about our program, we welcome you to our unique summer camp offerings.

Chris Smith
Summer Camp Coordinator

Meet the Camp Coordinators:

Christine Smith Summer Camp Coordinator

My name is Christine Smith, and this will be my fourth year as Summer Camp Coordinator. I graduated from SUNY Geneseo with a Bachelor's degree in Elementary Education. I have been in the child care field since 1986 and have worked with children of all ages including 16 years working with school age children. During the school year I work with four and five year old children at the Richard M. Guon Child Care Center at MCC.

I look forward to camp every year. I enjoy seeing returning campers and meeting new ones. Old friends reconnect and new friendships are made. The teachers do a great job engaging the children in fun, educational activities. We are so lucky to have the professors, Student Life and Leadership staff, Public Safety and Athletics staff who are so willing to help us. We can explore the college and visit different areas of the campus.

I enjoy watching the children gain confidence in the pool, and of course we all look forward to our weekly field trips, especially swimming at RIT's recreational pool. We had our own makerspace, a bounce house, and a visit from Rhino players last year just to name a few of our favorites. I am looking forward to another fun and exciting summer!!

Tierney McKee Curriculum Coordinator

I am so pleased to be a part of MCC's Summer College for Kids and the Leadership Camp for a third year. I have a Master's degree in Education from SUNY Brockport, with a certification in 7-12 English Language Arts. During the school year, I teach 7th grade at Sodus Central School District. I have over twenty years of experience working with children of all ages, along with a passion for storytelling and play acting that certainly comes in handy at camp!

This camp season I will be stepping into a slightly different role: I will be coordinating all the fun activities and field trips for our younger campers and teen leaders. I will be working closely with staff to ensure that each child has a wonderful camp experience, with abundant opportunities to play and learn and grow. I am looking forward to this summer, where I will see old friends again-and make lots of new ones!

 Balance is due no later than (1) week prior to each session.**

July 20-24 / Body and Mind Games

Ask the average teen athlete what he or she wants to do in the future, and the answer will probably be “play in professional sports.” That is a wonderful goal, but did you know that there are many other ways to make sports into a lifelong career? This week, you will meet people who have made physical and mental fitness their business—from sports psychologists and physiologists to professional sports writers. Teen Leaders will take a field trip to the Hale Recreation Pool at RIT, and then design a personal fitness program. You may also plan and run a 5k!

July 27-31 / Heroes, Villains and Adventures

Heard any good stories lately? Maybe you read a book that you just couldn't put down, or listened to an inspiring speaker, or watched a movie that kept you up way past your bedtime. A good story, well-told, can be a powerful tool for change. Teen Leaders will learn a variety of techniques to tell a good story. You will share stories through digital applications, photographs, sketches, and skits. This week's field trip is to the Strong Museum of Play.

Aug 3-7 / Lights, Camera, Action!

Rochester has a lot of talent, from jazz musicians to improv actors to moviemakers. Teen Leaders will meet some of Rochester's best this week, and learn about careers in the arts. The Teen Leadership Camp will produce the SCFK talent show. You will design the program, build the set, coordinate the rehearsal schedule, and host the event. Maybe you will be the one to say, “Lights, Camera, Action!” Field trip to a local theatre for a tour and show.

Aug 10-14 / Crazy Week

Teen Leaders get to go crazy this week, right along with the SCFK campers! Every day will be different, and you will provide the energy and entertainment to fuel the fun. You may plan a scavenger hunt, host a mystery, put pirate recruits through their paces, or become carnival performers during this last week of camp. The field trip will be to go bowling.

Summer College for Kids (Grades 1-5)

SCFK is an all-day program offering the perfect blend of educational and recreational activities for your child. Located on MCC's Brighton Campus, the program is designed to provide children with opportunities to improve their basic skills while continuing to learn over summer vacation. This innovative program includes: Art, Computers, Field Games, Science, Health & Fitness, Leadership Development, Reading, Writer's Workshop, Math Enrichment and a chance to make new friendships!

SCFK Sample Daily Schedule

7:30AM - 8:00AM	Early Arrival
CALL TO INQUIRE ABOUT EARLY ARRIVAL OPTIONS	
8:00AM - 9:00AM	Arrival
9:00AM - 11:00AM	Classes with age group, computer lab, math, science, creative writing, etc.
11:00AM - 12:00PM	Specials, Arts/Crafts and Field Games
12:00PM - 12:30PM	Lunch
12:30PM	DEAR Time
1:00PM - 3:00PM	Recreational Swim
3:00PM	Snack
3:30PM - 4:30PM	Choice Time
4:30PM - 5:30PM	Departure

SCFK Weekly Dates & Themes:

July 6-10 / Bright Ideas Week

Imagination and invention are the themes this week, as SCFK campers explore the links between science and technology. Rochester has a rich history of scientific discovery and innovation. Campers will work with college professors to conduct hands-on scientific experiments in MCC's chemistry, biology, and physics labs. We will build our own MCC MakerSpace, where campers will have the opportunity to get creative with all sorts of materials. Our planned field trip will be to the Rochester Museum and Science Center and the Strasenburgh Planetarium.

July 13-17 / Around the World in Five Days

How do people from other countries celebrate their holidays? How do they create art, cook their traditional foods, and play games? This week, campers will trot around the globe (virtually, of course) to investigate the unique aspects of other cultures. At the end of the week, we will showcase what we have learned with an exciting “wall art” exhibit. No passport is needed, but you should bring your sense of adventure! Field trip to be determined.

July 20-24 / Body and Mind Games

Your mind and your body are linked in all sorts of unexpected ways. This week, SCFK campers will get the inside scoop on physical and mental fitness. We will play games that test the brain and the body. We will learn about nutrition, balance, and coordination. Our guest speakers will include coaches from MCC, and local athletes. We will make a splash at Hale Recreation Pool at RIT, and challenge each other at the first MCC SCFK Olympic Games!

July 27-31 / Heroes, Villains and Adventures

Who's your favorite superhero? Who's the villain you love to hate? If you could have any superpower, what would it be? This week, SCFK campers will be thinking, drawing, reading and writing about heroes. We will also learn about local myths and legends. We will have a camp storytelling competition, make tasty treats, and craft costumes to go with our super stories. Our field trip this week is to the Strong Museum of Play.

Aug 3-7 / Lights, Camera, Action!

If "all the world's a stage," then this is the week that our campers are stars! In Lights, Camera, Action! Week, SCFK campers will put on a show. We will plan acts, build scenery, rehearse, and perform for an audience at our annual talent show. If you like to sing, dance, tell jokes, play an instrument, or dazzle the eye with your unbelievable magic tricks, then this is the week for you. Field trip to a local theatre for a tour and show.

Aug 10-14 / Crazy Week

We're upside down, inside out, and standing on our heads this week. Anything goes during the last week of camp! Will we have a carnival? Dress up like pirates? Explore an underwater cave? Spend the day in our pajamas? Or maybe all of the above! Who knows what will happen this week—even the counselors will be surprised! Our field trip will be to go bowling.

The Leadership Camp (Grades 6 - 8)

TLC is for children entering 6th, 7th and 8th grades. TLC provides campers the opportunity to develop leadership skills with MCC Student Life and Leadership staff. Campers will develop their leadership skills and then have the opportunity to apply their new skills by participating in leadership activities at the SCFK program part-time. In addition, campers will see what happens behind the scenes at MCC while exploring future career interests. Team building and self-exploration are the focus of the program.

TLC Sample Daily Schedule

7:30AM - 8:00AM	Early Arrival
CALL TO INQUIRE ABOUT EARLY ARRIVAL OPTIONS	
8:00AM - 9:00AM	Arrival
9:00AM - 11:00AM	Team Building Activities/Guest Speakers
11:00AM - 12:00PM	Specials, Arts/Crafts and Field Games
12:00PM - 12:30PM	Lunch
12:30PM	DEAR Time
1:00PM - 3:00PM	Recreational Swim
3:00PM	Snack
3:30PM - 4:30PM	Assist with SCFK Choice Time
4:30PM - 5:30PM	Departure

TLC Weekly Dates & Themes:

July 6-10 / Bright Ideas Week

Every day, professionals in science and technology are changing our world. These people are designing, building, and using advanced tools to improve lives everywhere. This week, Teen Leaders will investigate STEM careers in life sciences, optics and imaging, and environmental engineering, to name a few. You'll learn how science can determine your leadership style, take a STEM career interest survey, and tour STEM-focused organizations in the Rochester area, including MCC's Applied Technologies Center. You'll also visit the Rochester Museum and Science Center and the Strasenburgh Planetarium.

July 13-17 / Around the World in Five Days

The "global village" has created exciting new opportunities for people who love to travel or want to learn more about their ancestry. Advances in transportation and communication have made world-travel more accessible for everyone. As a result, Heritage and Multicultural Tourism is now one of the fastest-growing segments in the travel industry. This week, Teen Leaders will learn about career opportunities within this field. You will plan virtual tours, host guest speakers on diversity from the Rochester area, and visit local businesses that focus on Heritage and Multicultural Tourism. Field trip to be determined.
