

Getting Started on Vault

We have some great news to share! [Monroe Community College Career and Transfer Center](#) is providing you with premium access to Vault's exclusive content in order for you to gain a competitive advantage and help you land your dream job.

Vault provides in-depth intelligence on what it's really like to work in an industry, company or profession—and how to position yourself to land that job. Whether you are researching a company or industry, preparing for an interview or trying to find a job or internship, Vault will give you the career management tools you need to succeed.

Step 1: Login to your programs [Vault Access Link](#).

Step 2: If you are an existing user, please enter your log in credentials under the *“Please Log In”* section. If you forgot your password or don’t know if you are a current user, click on the *“Forgot Password?”* link and follow the steps to resetting your account. If this is your first time to Vault, click on the *“Create My Vault Account”* link to register.

Step 3: Customize your account! We urge you to create a profile to the best of your capability to get seen by top employers & recruiters, tailor your content, and apply for jobs and more.

Step 4: Get Started Now! Don’t delay, access Vault today. Check with your Career Center/Library for information on best using Vault. Feel free to search additional information such as our [Vault Tutorial Video](#) within our [Support Center](#).
